

SPONSORSHIP OPPORTUNITY

The Etiquette & Leadership Academy believes that in order for children to have a well rounded life with influence at the highest levels in this increasingly complex world, they will need to be educated in formal and non formal arenas. Therefore, we are committed to teaching the children of this generation to become SHARP (Smart, Humble, Articulate, Respectful, and Polished) at an early age. For a very small investment, you too, can be a part of this endeavor.

Please complete the contact information below if you would like to receive information about one of our six sponsorship opportunities (Individual, Church, Agency, Organization, Business, and Corporate). Gift certificates are also available.
